Dear Friend:

Why should YOU care that on Tuesday, May 7th, 2019 the 19th Annual Farm Day will host over 1600 of our county's 3rd graders at the Placerville Fairgrounds?

Maybe you as a youth participated in a local agriculture education program like 4-H or FFA or perhaps you went on a school field trip or a trip with your family to learn first-hand from local agricultural experts, maybe to an apple orchard, vineyard, farm stand, pumpkin patch, or a small animal farm with turkeys, chickens, dairy cows, goats, or pigs? But maybe you didn't and would have loved to and at the very least you want to ensure today's youth get this opportunity of standards-based learning outside of the classroom? For the past 18 years, our county's 3rd graders have had that opportunity at Farm Day to ask questions about the world right outside their door, and to learn from the people right here in our community who work in forestry, food preservation, ag mechanics, water conservation and many more ag-related industries.

You can ensure this quality educational program continues to reach the students who are your children and your communities' children by sponsoring Ag in the Classroom's Farm Day. We look forward to partnering with you in Teaching a Growing Generation!

<u>LEVEL</u>	<u>COST</u>	<u>BENEFITS</u>
Planting The Seed	\$250-\$499	AITC Newsletter Acknowledgement (700+ recipients) AITC Social Media Acknowledgement
