From Our President:

I'm excited to be back at the helm as returning President this year and looking forward to another exciting year for AITC. THANK YOU so much to all our supporters- it's your help throughout the years that's gotten us to where we are today.

*Joyce
Ag in the Classroom
President*

Welcome Karen Fothergill!

Her Life Priorities say it all "*Learning, Teaching, Sharing, Giving and dogs.*" Please join us in welcoming Miss Karen as our Incoming Fields of Learning Coordinator. She joins us with an comprehensive background in Science Education, having just retired after nearly 30 years as a biologist with California Department of Fish and Game (working in water quality, fisheries and upland game birds). Miss Karen has been a Natural Resources Science Professor at American River College, has an extensive Art background, is a Hunter Education Instructor, and she is a lifelong gardener and food preserver. Miss Karen is a local gal, growing up in Fair Oaks and now living in South County. We consider ourselves very lucky that she is keeping Fields of Learning such a relevant and exciting educational program for our students!

And don't worry- our amazing Miss Cherie is still going to be very active with Ag in the Classroom. She is taking some time for her family, but loves this program too much to give it up!

20 Mile Taste

There are so many ways to support Ag in the Classroom!

Email

if you would like to be a *Fields of Learning* volunteer- no experience necessary, and we can guarantee you will have fun!

Attend

our 20 Mile Taste fundraiser and see why our County teachers love this event.

Or **Make a Donation**,

ensuring that our quality Ag Education programs are available to our students.

Looking forward to working with you as we cultivate a love of, and respect for, agriculture in the lives of El Dorado County students!

Ann Wofford
Executive Director
