Dear Potential Donor,

On **August 5, 2023**, Ag in the Classroom will hold the annual **20 Mile Taste** fundraising event to support its countywide programs. With support from this fundraiser, plans for the 2023/2024 school year include:

- Holding Farm Day in the spring at the Placerville Fairgrounds
- Expanding our Fields of Learning field trip offerings, connecting farms to schools
- Providing teachers with standards-based science curriculum in the classroom.

Guests are offered a picnic dinner catered by John Sanders of Old Town Grill with hot donuts by Rainbow Orchards and local dessert/wine pairings to either take out, or to enjoy in the orchard's festive atmosphere with live music, beer, wine, and hard cider offerings, and auctions.

Those of you who took part in the event last year know what a fun and family-friendly event it is. Our goal is simple: The delivery of quality, curriculum-based ag education to over 2500 students and 35+ schools in El Dorado County.

Ag in the Classroom invites you to **make a donation of a good for consumption or goods/ services for silent auction at the 20 Mile Taste**. As a donor to 20 Mile Taste your business will receive recognition in all print and social media promoting the event. Your business logo will be prominently displayed on the Ag in the Classroom website and all other social media and print communications for the year.

**Monetary donations can be made online at [agintheclass-edc.com](http://agintheclass-edc.com)** (click **Help Us Grow** and access the Donation/20 Mile Taste tabs) or **by mail** (send a check made out to *Ag in the Classroom* to the address below).
