

Dear Potential Donor,

On **August 24th, 2024**, El Dorado Ag in the Classroom will hold the annual **20 Mile Taste** fundraising event to support its countywide programs. With support from this fundraiser, plans for the 2024/2025 school year include:

- Holding Farm Day in the spring at the Placerville Fairgrounds
- Expanding our Fields of Learning field trip offerings, connecting farms to schools
- Providing teachers with standards-based science curriculum in the classroom

Guests are offered farm style cuisine provided by John Sanders of Old Town Grill and local dessert/wine pairings in a local ranch style festive atmosphere with live music, beer, wine, and hard cider offerings, and auctions.

Those of you who took part in the event last year know what a fun and family-friendly event it is. Our goal is simple: The delivery of quality, curriculum-based ag education to over 2500 students and 35+ schools in El Dorado County.

Ag in the Classroom invites you to **make a donation for our silent auction at the 20 Mile Taste**. As a donor to 20 Mile Taste your business will receive recognition in all print and social media promoting the event. Your business logo will be prominently displayed on the Ag in the Classroom website and all other social media and print communications for the year.

**Monetary donations can be made online at [agintheclasse-edc.com](https://www.agintheclasse-edc.com)** (click **Help Us Grow** and access the Donation/20 Mile Taste tabs) or **by mail** (send a check made out to *Ag in the Classroom* to the address below).

Again, thank you for considering this opportunity and helping us continue to meet our mission to serve the students of El Dorado County. Please direct any questions to [info@agintheclasse-edc.org](mailto:info@agintheclasse-edc.org), or (530)-303-8117.

El Dorado Ag in the Classroom appreciates your support. Thank you!

Sincerely,  
The 20 Mile Taste Event Committee
